

## **PROJECT SERVICE TO OTHERS DISTRICT 20**

Project - Service to Others is a Provincial RTO/ERO program which provides grants to districts for initiatives which support the concept of "Service to Others". Its intent is to raise the profile of retired teachers by visibly demonstrating to active teachers and to the public at-large that retired teachers care about their communities and about public education, and are willing to do something to help those who need assistance. These assistance projects could be in any form that supports the goals of Project - Service to Others as outlined below. *District 20, RTO/ERO has adapted this program to meet local objectives, In doing so, it espouses the same goals as the provincial project.*

### **What are the Goals of Project - Service to Others?**

- To provide financial assistance to education-related and other community projects;
- To facilitate member participation in education and community assistance projects;
- To help serve the educational and other needs of the disadvantaged in the community;
- To promote District participation in local, provincial and overseas educational or community projects;
- To raise the profile of retired teachers and of RTO/ERO;
- To show the general public that retired teachers continue to serve after retirement;
- To demonstrate to potential RTO/ERO members (active teachers) that RTO/ERO is a dynamic organization to which they should consider belonging when they retire from active teaching.
